

FAN FILTER UNIT ACCESSORIES
SURFACE MOUNTING FRAME WITH GASKET
ALUMINUM
MODEL: 92FFU-SMFG

ALUMINUM SURFACE MOUNT ADAPTOR FRAME FOR
MODEL SERIES 92FFU FAN FILTER UNIT

TYPICAL
INSTALLATION

DESCRIPTION:

The Model 92FFU-SMFG for mounting in finished drywall or plaster ceilings to accept the 92FFU fan filter unit.

It allows the retrofit of fan filter units and simplified installation in surface mount applications.

Model 92FFU-SMFG is installed quickly and easily and is suitable for variable ceiling thicknesses. Installation requires hanging the frame up by the punched holes every 6" (152) along the tee to the ceiling using hanger wire (by others). The frame should be hung to a supporting member of the ceiling. The unit can then be mounted onto the frame and supported utilizing the eyebolts installed on the unit.

The finished appearance is professional and aesthetically pleasing.

Material: Heavy duty extruded aluminum extrusion with gasket.

Standard Finish: AW Appliance White.
